

CRIME OR FELONY QUESTIONNAIRE

You have indicated on your application for student housing that you may have been charged with or convicted of a crime or felony other than a misdemeanor at some time in the past. EOU strives to provide an environment that is safe and secure for all of our housing residents; consequently, there are some types of crimes or felony convictions that may preclude an individual from living in student housing while attending the University. You need to provide additional information about your crime or felony conviction so EOU can review the circumstances and make a decision about whether it is appropriate for you to reside in a community living environment like student housing. Please provide complete answers to the questions below.
